

Married

RUNNELS—EASTABROOKS.—On the evening of June 18th, 1901, at the home of the bride's parents, sister Lillian Eastabrooks was united in marriage to David S. Runnels, M. D. of Merrill, Wis. Sister Lillian has been our organist for the past four or five years, and to say she was faithful to her work would be expressing the truth only mildly. She will be greatly missed from our choir, but she has our best wishes, and received an official vote of thanks, for faithful service from the Milledgeville church. Dr. Runnels is a young man located in a field where large opportunities will occur for his profession. May the Lord prosper them in their work.

Died

DYER.—Mary Susan Dyer was born in Bradford Co., Pa., June 6th 1848. She came to Illinois with her parents in 1854. She was twice married, first to Henry H. Holt on Sept. 29th 1866. To this union were born seven children, seven of which survive her. On June 1st, 1890, she was married to H. M. Fleming. In 1889 she united with the Brethren church and has since been one of its most faithful and zealous working members, always regular in attendance, until affliction confined her to her home. In her death the husband loses a faithful wife, the children a devoted mother, the community a kind neighbor and the church a faithful sister. The funeral services were conducted by the writer from Rev. 2: 10.

T. of the 30th Ind., regiment until that dread disease only fully known by the soldiers, dysentery laid hold upon him, when he was taken to the general hospital where he succumbed to death on the above date. He leaves two brothers and one sister, and a host of relatives and friends to mourn his demise. Funeral conducted by the undersigned, assisted by Rev. Terrell of the Presbyterian church.

75c. Only Seventy-five Cents to the 75c.
End of the Year 1901

BUT FIVE HUNDRED NEEDED

It has been decided to offer the EVANGELIST to new subscribers the balance of the year for 75 cents, and make a special effort to increase the present list to 3,000.

Except to our agents we have not heretofore made known the number of subscribers on our list. At present the list aggregates 2550, but of these quite a number have not yet renewed, and some will no doubt drop off, so that to make the full 3,000 subscribers we must count on at least 500 more. We have carefully calculated the number of papers going into each of the several Conference Districts, and so far as reliable statistics are at hand we have formulated the following proportionate table, showing how many of the 500 should go into each of the several districts so as to preserve the proper proportion:

California, Oregon, Washington, Idaho, and Utah,		20
Previously reported,	2	
Indiana District,		95
Previously reported,	27	
Since last report,	2	
Illinois, Iowa, Dakota and Missouri,		50
Previously reported,	3	
Kansas, Nebraska, Wisconsin and Colorado,		50
Previously reported,	8	
Since last report,	3	
Ohio District,		90
Previously reported,	16	
Since last report,	4	
Pennsylvania District,		95
Previously reported,	52	
Since last report,	2	
Maryland Va., West Va., and D. C.,		90
Previously reported,	2	
Since last report,	32	
Michigan District,		10
Previously reported,	1	
Total,		500

This table will be repeated each week indefinitely, and new subscribers coming in will be credited to the state or district from which they are sent. Pastors, agents, and all others interested in the success of our publication interests, we appeal to you for a thorough canvass of the field. Get your people together and learn into what homes the paper is now going, and where it is not going, make a list of all members in your congregation not subscribers to the EVANGELIST and then canvass them for subscriptions.

The EVANGELIST is now offered, as you will see, to the end of the year 1901 for only seventy-five cents. This gives an additional opportunity to agents to increase subscription lists in their congregations. This means that the new subscriber will get the paper during the month of June free. In addition to this we will send him a copy of the Twentieth Century Number, the first issue of the year 1901, containing 24 pages illustrated. Please note that Pennsylvania has now made more than one half of the way. We have received from that district 54 new subscriptions, leaving them 41 to secure. It looks as tho the old Keystone State meant to get the full number and we believe it will. Others have yet a long way to go, but with persistent efforts the much desired end can be reached. Let every pastor and every agent, and in fact every one interested in the paper make a special effort to secure new subscribers between now and July 1.
